

Desperate Religion

[ATB](#)

You know shes never gonna tell you, if she likes it this way
You know shes never gonna ask you, if you feel the same
A fever oh an addiction uh, was it worth it did you give your life away? A fever a desperate religion, and all that
she can say is Give me just a little bit, uh
Gimme just a little bit A train that never stops rolling its getting into your blood
A need that never stops growing shes a poisonous one
A hope for better days but nothing, oh
Seems to fix it, uh, now youre wasting way
Indeed a desperate religion and all that she will say is
