Twentythousand

EXES

Iâ€™m fine,
kinda feeling numb about it.
Heâ€™s fine,
nothing like the war we started.
It'â€™s nice,
but Iâ€™m always broken hearted,
inside.

I donâ€™t know what else to do,
but when he kisses me Iâ€™m missing you.
Every place I go reminds me of you.
I donâ€™ want to remind me of you

You told me love was blind.
For you, I closed my eyes.
Yeah youâ€™re my first fall,
hardest break of them all.

And it donâ€™t sound the same,
the way he says my name.
Yeah youâ€™re my first fall,
twentythousand feet tall

Red wine,
and iâ€™m drunk inside our late nights.
Your eyes
always kinda felt like goodbye and goodnight.
Maybe i should let your heart fly
tonight.

I donâ€™t know what else to do,
but when he kisses me Iâ€™m missing you.
Every place I go reminds me of you.
I donâ€™ want to remind me of you

You told me love was blind.
For you, I closed my eyes.
Yeah youâ€™re my first fall,
hardest break of them all.

And it donâ€™t sound the same,
the way he says my name.
Yeah youâ€™re my first fall,
twentythousand feet tall

And I know itâ€™s not healthy,
but I donâ€™t wanna fall in love again.
And I know itâ€™ll kill me,
but youâ€™re the only way I wanna end.
Youâ€™re the only way I wanna end.
For you, Iâ€™d fall all over again.

You told me love was blind.
For you, I closed my eyes.
Yeah youâ€™re my first fall,
hardest break of them all.

And it donâ€™t sound the same,
the way he says my name.
Yeah youâ€™re my first fall,
twentythousand feet tall.

Waiting yeah, Iâ€™ll keep on waiting, yeah, Iâ€™ll keep on waiting, yeah
for you, Iâ€™d wait a lifetime
Waiting yeah, Iâ€™ll keep on waiting, yeah, Iâ€™ll keep on waiting, yeah
for you, Iâ€™d wait a lifetime
