

Dull Boys

Archy Marshall

She don't see me
She doesn't see me
She don't see me for what I am
I lost all my dignity, she don't even mean that much to me
I know you know how this...??.
We must've lost that moment when we felt connected
She reaches for the phone
And now she planed her exit
See somewhere along the line,
She must have felt disconnected.
See those shallow eyes' of mine
Might have been to well expected.
What can you expect kid?
Behind my body, whoah I don't know.
Haven't felt much in a long time.
I just might as well see how it goes.
It's been a while, I been on my own.
Girl, girl.
I lost all my dignity, she don't even mean that much to me
I know you know how this...??.
she wont forget me ever (several times)
End
