

# Violent Dreams

## Jump, Little Children

Violent dreams  
Every night  
Lately I've been waking out of urgency  
Something I said  
Something I did  
Is bringing on this violent emergency  
One black day in ghostly white  
For just another sleepless night  
One more day  
I'm always taking the dive  
All it takes  
Is all I can give  
All my waking hours just to see you live  
Through this sleepless night  
Violent dreams  
Every night  
Patiently waiting in the waiting room  
Hospital white  
Hospital lights  
Burning an unbearable fluorescent gloom  
Still with both my eyes shut tight  
It's just another sleepless night  
One more day  
I'm always taking the dive  
All it takes  
Is all I can give  
All my waking hours just to see you live  
You behind closed eyes  
Behind closed doors  
"First thing tomorrow"  
Someone said  
She's hanging by a needle and a thread  
Violent dreams  
Every night  
Turning empty pages of old magazines  
Turning instead  
Of turning in bed  
Turning off the static on the T.V. screen  
In the vending machine light

It's just another sleepless night
