

# Mama I'm coming home

## ETuv Bracha

Times have changed and times are strange  
Here I come but I ain't the same  
Mama I'm comin' homeTimes go bye, seems to be  
You could have been a better friend to me  
Mama I'm comin' homeYou took me in and you drove me out  
Yeah you had me hypnotized yeah  
Lost and found and turned around  
By the fire in your eyesYou made me cry, you told me lies  
But I can't stand to say goodbye  
Mama I'm comin' homeI could be right, I could be wrong  
It hurts so bad it's been so long  
Mama, I'm comin' homeSelfish love yeah we're both alone  
The ride before the fall yeah  
But I'm gonna take this heart of stone  
I just got to have it allI've seen your face a hundred times  
Everyday we've been apart  
I don't care about the sunshine yeah  
'Cause mama, mama I'm comin' home  
I'm comin' homeYou took me in and you drove me out  
Yeah you had me hypnotized yeah  
Lost and found and turned around  
By the fire in your eyesI've seen your face a thousand times  
Everyday we've been apart  
And I don't care about the sunshine yeah  
'Cause mama, mama I'm comin' home  
I'm comin' home, I'm comin' home  
I'm comin' home
