Do or Die

[Blanks 77](#)

Rock n' roll is do or die
and I wanna live
and give what I can[Chorus:]
no one's gonna stop me
you'll see that it's true
kick in the wall
revolution make it thru
people always tellin' me
I should keep it down
but if it's too loud
then yer too old-you fuckin' fool![Chorus]unity thru rock n roll
and all these I adore
positive force thru me and you
and we will rule the world
