Curve

SoMo

Get out of bed with me on your mind
Baby, you know it's a matter of time
Drop me a line, whether it's three in the morning
Raining, but it's you that's stormingRun it back, done with that
Thought you were never coming back, oh
Don't do that, heart attack
You're the only one that I want
And I've waiting for this call for so long
You know I've been waiting so damn longI got to, I got to, I got to
Hold onto, hold onto, hold on (no)
I hold onto the curve in your back
While you lie on your back
Oh, you like it like that, oh
I want to, I want to, I want to
Hold onto, hold onto, hold on (no)
I hold onto the curve in your back
While you lie on your back
Oh, you like it like that, ohOh, it's getting (hot)
I can feel your (pulse)
Whispering, "don't (stop) "
I need you the (most)
How many nights have I blessed ya?
How many nights have you called my name?
Don't play, I know you wanna stay, and so let's just-Run it back, done with that
Thought you were never coming back, oh
Don't do that, heart attack
You're the only one that I want
I've waiting for this call for so long
You know I've been waiting so damn longI got to, I got to, I got to
Hold onto, hold onto, hold on (no)
I hold onto the curve in your back
While you lie on your back
Oh, you like it like that, oh
I want to, I want to, I want to
Hold onto, hold onto, hold on (no)
I hold onto the curve in your back
While you lie on your back
Oh, you like it like that, ohHundreds of doubts
Hundreds of trials

Whoa, you've been holding up
What's broken in heart
I've been down from the start
Oh, I've been down from the startOh, comin' down from the stars
Oh, comin' down from my heart
See the wave, make it part, make it part
All I'm really trying to sayI got to, I got to, I got to
Hold onto, hold onto, hold on (no)
I hold onto the curve in your back
While you lie on your back
Oh, you like it like that, oh
I want to, I want to, I want to
Hold onto, hold onto, hold on (no)
I hold onto the curve in your back
While you lie on your back
Oh, you like it like that, oh
