

Devil Waltz

Mad Dog Loose

I want to break him down
Devil is in my town
He seems to suck around
Until he really needs to see you suffer
He won't forget to sell your lover
Until he sees you're really down
Down on this holy ground
Wrapped in his sexy sound
He won't forget to sell your lover
He won't forget to sell your lover
He just needs to see you suffer
He won't forget to sell your lover
Until you will contain by pain his plan
(X bunch of times)
