Pretend It's Ok

Little Mix

What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK
I remember the day when we were out all night
I wish that I could get the day back and tell you it's alright
Cause we all do the same thing, we just don't realize
That we're living on borrow and time
What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK
I see the light that I'm chasing
A memory, but it's fading
When it's gone I'll be waiting
Knowing it's too late
Chose the road that I'm walking
Now it's all that I'm caught in
Enjoy it hearing when I'm calling
Calling your name
One breath, one step, one life, one heart
Two words, two eyes, you begin a new start

Too neat, too narrow, too short, too bright,
I'm there with you, here by my side
What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK
Nothing here, no one talking, knowing it's too late
But sometimes it can get so hard pretending it's OK
Nothing here, no one talking, nothing's gonna change
But sometimes it can get so hard pretending it's OK
What would you do? What would you say?
How does it feel? Pretend it's OK
My eyes deceive me, but it's still the same
Pretend it's OK
What would you do? What would you say?
How does it feel? Pretend it's OK

My eyes deceive me, but it's still the same
Pretend it's OK
Ohh yeah
What would you do? What would you say?
Pretending it's OK
What would you do? What would you say?
