Time That Remains

Three Days Grace

Don't do as I have done
Win where I have lost
Have where I have none
Don't let your demons drive
They'll just steer you wrong
You wont get out aliveCuz you cant un-live the pain
You cant rewind to yesterday
You might never find your place, in the time that remains
So if tomorrow never comes,
From living fast and dying young,
I hope the best has yet to come in that time that remains for youDon't get me wrong
The mistakes I made along the way,
Made me who I am today
The time is gonna come
You will wake up an realize just how fast your life goes byCuz you cant live un-live the pain
You cant rewind to yesterday
You might never find your place, in the time that remains
So if tomorrow never comes,
From living fast and dying young,
I hope the best has yet to come in that time that remains for you'Cuz you cant un-live the pain
You cant rewind to yesterday
You might never find your place, in the time that remains
So if tomorrow never comes,
From living fast and dying young,
I hope the best has yet to come in that time that remains for youThe time that remains for youFor youThe time that remainsThe time that remains
