

Goodbye Song

MKTO

Yeah ima put your shit out on the lawn
leave my heart and take your bone
theres nothing left to say so long
this is your goodbye goodbye song
la la la la la
this is your goodbye song
la la la la laI waited for you till six in the morning
you said the party was over at 4 and
no work, no calls, no text
someones about to by my next ex next ex
and ive been sitting here watching reruns
even Betty Whites lookin at me like a but
ive called every single person i know and
i guess i dont know the one that you know andSo what am I to do? (Girl what ima do)
Im up to here with you (Im up to here with you)
I cant believe you threw it all away (Uh oh Come on)So ima put ya shit out on the lawn
leave my heart and take your bone
Theres nothing left to say so long
this is your goodbye goodbye song
I used your pictures on the wall
you can find them in the bathroom stall
there's nothing left to say it's all so wrong
This is your goodbye song
la la la la la
this is your goodbye song
la la la la laPromises promises broken friends
uh shoes,clothes,everything brand names
Start a bonfire

BYOB everybody bring a cup Yup
We gonna dance only memories a must
so here's a toast to how we screw it up
to make sure theres a happy ending
Im gonna hook up with your mom(Call me)So what am I to do (what am i to do)
I'm still in love with you (I'm still in love with you)
cant believe you threw it all away
So ima put your clothes out on the lawn
