

Rain

Radial Angel

Rain falls so hard, I can't sleep at night
You look so right, so how could I fight
You will be there, because you always cared
Love is my friendWhere were you,
When I needed you
You were thereI fall to my knees
That's when I pray
That's when the tears fall
That's when I sayWhere were you,
When I needed you
You were there[Chorus]
You wait there
You wait for meI know that you're there
You've called my name
And it's one more last time
For me to say
