

# Lay My Head On Your Pillow

Cassie Taylor

it's been a long day  
so much to do  
got to cook and clean  
but i love looking after you

and i'm going to lay my head on your pillow  
fall asleep

it's been a long week  
got our bills to pay  
no matter how hard we work  
can't seem to get away

and i'm going to lay my head on your pillow  
fall asleep

it's been a long month  
it seems we've come so far  
taking on responsibilities  
spending too much time in the car

and i'm going to lay my head on your pillow  
fall asleep

it's been a long year  
change has come and gone  
brought us new excitement  
and purchased us a home

and i'm going to lay my head on your pillow  
fall asleep

it's been a long life  
the children are all grown  
the days are getting cooler  
nights are getting long

and i'm going to lay my head on your pillow  
drift asleep
