

# Living Hard

Gary Allan

Woke up this mornin in yesterdays clothes  
Still got my buzz from last nights show  
A cup of coffee, ready to go againIve got twenty-seven shows in twenty-seven days  
Playin junkyard guitar, gettin paid  
Gotta check the set list to tell you what state Im inSo listen, livin hard is hardly livin  
For a hard rockin road dog, rowdy musician  
Rollin like the Stones, startin to look like Dylan  
Livin hard is hardly livinIm high on the stage, livin in the spotlight  
Airplane champagne, yeah, its just what it looks like  
Chasin dreams one song at a timeWell, welcome to my world for the next ninety minutes  
Ill be barin my soul for the price of your ticket  
And do it all over again tomorrow nightSo listen, livin hard is hardly livin  
For a hard rockin road dog, rowdy musician  
Rollin like the Stones, startin to look like Dylan  
Livin hard is hardly livinYeah, listen, livin hard is hardly livin  
For a hard rockin road dog, rowdy musician  
Rollin like the Stones, startin to look like Dylan  
Livin hard is hardly livinIts hardly livin, yeah, its hardly livin  
Rollin like the Stones, startin to look like Dylan  
Livin hard is hardly livinYeah, listen, livin hard is hardly livin
