

Every Planet We Reach Is Dead

Gorillaz

I lost my leg like I lost my way
So no loose ends
Nothing to see me down
How are we going to work this out? Dreams aren't bad, I had turned back
I love the girl but God only knows
It's getting harder to see the sun coming through
I love you but what are we going to do? Picture, I'm a dreamer, I'll take you deeper
Down to the sleepy glow
Time is a low, don't you know
What are we going to do? When you go back
All the second selfless days
You're in love with him
I want to see you again
I love you but what are we going to do?
