Everything

Lincoln Brewster

My feet may fail me
My hands may shake
My life may crumble
My heart may break
But through the darkness
You are the light
I know forever
You hold my lifeOh I believe it
Oh I believe
Your love
Is strong enough for me
With me when I'm weak
Everything I need is in
Your love
Constant through the trial
Faithful through the night
Everything I need is in YouMy faith may falter
My hope may fade
My voice may tremble
My fear may wake
But through my failures
Your mercies rise
I know forever
You're on my side
I will not be shaken
I will not be moved
Your love will last forever
The victory's in You
