Love Is In Control (Finger On the Trigger)

Power Music Workout

Hung around with big shots
Never knew love was in the sights
I guess, I missed the target
Caught up in a different line of fireBut I know since I've been aiming
For the sweetness in your soul
Your name is on the bullet
And it's gettin' ready to explodeThere's been a change inside my life
And I just wanna let you knowI've got my finger on the trigger
Love is in control
I've got my finger on the trigger
I ain't lettin' goMama used to tell me
Girl, you better load your gun up right
She said ya, ya gotta come out smokin'
Hit it with your best shot every timeWell I, I didn't understand her
'Til you walked right into range
I saw your love at twenty paces
And I knew I'd won the gameYou better raise your heart up high
Or love will blow you right awayI've got my finger on the trigger
Love is in control
I've got my finger on the trigger
I ain't lettin' goI've got my finger on the trigger
Love is in control
I've got my finger on the trigger
I ain't lettin' goLeave off that safety catch
There ain't no risk we're gonna have some fun
I've got cha, love's begun
So stay with me until the mornin' sunYou're super bullet number oneThere's been a change inside my life
And I just wanna let you knowI've got my finger on the trigger
Love is in control
I've got my finger on the trigger
I ain't lettin' goI've got my finger on the trigger
Love is in control
I've got my finger on the trigger
I ain't lettin' goI've got my finger on the trigger
Love is in control
I've got my finger on the trigger
I ain't lettin' go
