

# Lauren

## QUARTERBACKS

i like the way  
you say my name  
the way you  
stretch out  
the middle vowels  
so there's a smile  
on your face  
but you live  
so far away  
i wish that i could just  
pick you up and put you  
in a closer place  
lauren  
when will i  
see you again?  
when will i  
finally get back to you?  
well i hope that it's soon half the country  
isn't nearly far enough to  
cancel the connection  
which has quickly grown  
between us  
and i feel every mile  
that is keeping you from me  
and i can't wait until  
they melt away  
beneath your airplane seat  
and i hate all  
the dallas boys  
who fumbled with  
your heart  
because i'd do just  
the opposite  
if we weren't  
so far apart
