

In My Dreams

Eels

My love is always just as she seems
A force of nature on her own to be reckoned with
Whatever is wrong with me, a kiss redeems
And it's all there in my dreams, in my dreams My love is soaring, she glides through the sky
Hardly a warning, she takes my hand
Says open your eyes We looked down on the earth and all its schemes
We laugh and it's all there in my dreams, in my dreams We swoop down below the clouds, destination unknown
And then she says let's go home
