Fresh

Lemar

I don't need to fuss
I don't need to fight
I wanna party
Coz I'm feeling alright tonight
Classy but simple
Sneakers so clean
When I step in the venue
I know they know me
[Chorus:]I'm so cool, I'm so fly
I'm so fresh! Fresh!
I'm so cool, I'm so fly
(Bah b-bah, bah, bah, bah)
I'm so Fresh!
Lady I see you
Looking my way
I know that you want me
But I'm leaving with her today
She does something to me
Shakes it so good
D'you know what she told me?
She said...
Take me, home tonight
Baby, make me say your name:
I'll make you say my name

[Chorus]Oh, Oh, she said take me home and make me say your name
Your name, your name
You're so Fresh...
Baby I'm so Fresh
I'm so cool
I'm so fly
(Bah b-bah, bah, bah, bah)
I'm so Fresh!
If you never knew
Now you know I'm
Fresh! You know that I
Know that I'm so Fresh!
The whole world
Knows that I am so Fresh!

I'm so cool I'm so fly
I'm so cool
Take me home
I'm so fly
Make me say, your name, your name, your name, I'm so...
I'm so fresh
Get Down!
