

# Ignite (feat. K-391)

Alan Walker

[Verse 1: Julie Bergan]

Fireflies, a million little pieces  
Feeds the dying light, and breathes me back to life  
In your eyes, I see something to believe in  
Your hands are like a flame  
Your palms the sweetest pain

[Chorus 1: Julie Bergan]

Let the darkness lead us into the light  
Let our dreams get lost, feel the temperature rise  
Baby, tell me one more beautiful lie  
One touch and I ignite

Like a starship speeding into the night  
You and I get lost in the infinite lights  
Baby, tell me one more beautiful lie  
One touch and I ignite

[Post-Chorus: Julie Bergan]

One touch and I ignite

One touch and I ignite

[Verse 2: Julie Bergan]

So alive, your touch is like the daylight  
Burning on my skin, it turns me on again  
You and I, survivors of the same kind  
And we're the only ones

Dancing on the sun

[Chorus 1: Julie Bergan]

Let the darkness lead us into the light  
Let our dreams get lost, feel the temperature rise  
Baby, tell me one more beautiful lie  
One touch and I ignite

Like a starship speeding into the night  
You and I get lost in the infinite lights  
Baby, tell me one more beautiful lie  
One touch and I ignite

[Post-Chorus: Julie Bergan]

One touch and I ignite

One touch and I ignite

[Bridge: Seungri]

Diamonds are forever, but all we need is just tonight  
We're monumental tremors that can freeze the speed of life  
Just like particles that's falling from heaven all over the stars  
Hear you calling for me

Hear you calling me on from afar

[Chorus 2: Julie Bergan]

Let the darkness lead us into the light

Let our dreams get lost, feel the temperature rise  
Baby, tell me one more beautiful lie  
One touch and I ignite  
I feel the heat as we collide  
Like a fever that feels so right  
So baby, tell me one more beautiful lie  
One touch and I ignite
