

# Suckerpunch

## Cop Shoot Cop

How many times have I heard the same old line  
How many times have I fallen for that lie  
Spare me the soft soaping  
Bamboozled cock stroking  
A sucker punch and it's packed behind a smile  
A vacant smile  
Deal me a hand and we'll double up the stakes  
I called your bluff but made just one mistake  
The dice were loaded and the cards were marked  
The game was fixed right from the start  
It's a sucker punch and that's what we call the breaks  
Yeah, these are the breaks  
The large print giveth and the small print cuts your throat  
One hand's shakin' while the other's slippin' in your coat  
Hoodwinked and shanghaied, coldcocked on the dotted line  
It's a sucker punch and it's coming from behind  
From behind you
