

Scene Girls

Brokencyde

If you're a scene girl go back it up
Put your booty in the air and shake your butt [x4]
Ahh yeah, you're in need of attention
Now drop that ass like you're in detention
Sit down girl just shut up and sit
Before i make you suck my [ahh]
Oh my god, you'd thought I'd say DICK
But i wont say DICK
'Til you touch my DICK
So get on your knees girl suck it bitch
BC13, we run this shit
Girl cant you see me rocking in skinnies with the Nike's on
Your hair looks different your extensions make it twice as long
But im still with it we can kick it maybe have some fun
Girl I don't care as long as you can make a brother cum
If you're a scene girl go back it up
Put your booty in the air and shake your butt [x4]
Skin tight jeans with that feathered hair
Coke bottled figure and a perfect pair

Fat ass but with a PH
Not a ten but i definat eight
Converse Chucks in the colourful craze
Belts with studs and chains with granades
[BOOM] Girl thats the bomb get crunk little girl baby smack ya momz
Girl can't you see me rocking skinnies with the Nike's on
Your hair looks different your extensions make it twice as long
But im still with it we can kick it maybe have some fun
Girl I don't care as long as you can make a brother cum
If you're a scene girl go back it up
Put your booty in the air and shake your butt [x4]
Girl move your body leave stains on your sheets
Lets start a party
These girls are so scene [x2]
If you're a scene girl go back it up
Put your booty in the air and shake your butt [x8]
