

# Indian Strings (Yellow Stage Roskilde 1999)

## Suede

Open up my heart and see what's inside  
Take a look inside me inside my mind  
And you'll see my heart is broke in two  
'cause I've seen the real youImages of violence fill up my mind  
And you see the silence feel it inside  
And you'll see my heart is broke in two  
'cause I've seen the real youSo sad we seem so far we've been  
She knows the scene  
And I see your heart is broken too  
'cause I've seen the real you  
Seen the real you
