

# **Bel Ami**

## **Babet**

He's a casanova (yeah yeah what'd I say? )

He's a busy lover (yeah yeah what'd I say? )

Everybody's trying to tell me

That I'm wasting time away

Too cool for one woman (yeah yeah what'd I say? )

My bel ami - I'm born to be with you

My bel ami - I don't care what you do

My bel ami - whenever you're with me

My bel ami - I'm happy (what'd I say)

My bel ami

My bel ami

It won't last forever (yeah yeah what'd I say? )

He's just like the weather (yeah yeah what'd I say? )

Life with him is so exciting

Heights to the lows from day to day

Something's always happening (yeah yeah what'd I say? )

My bel ami - I'm born to be with you

My bel ami - I don't care what you do

My bel ami - whenever you're with me

My bel ami - I'm happy (what'd I say)

My bel ami

My bel ami

My bel ami

My bel ami - I'm born to be with you

My bel ami - I don't care what you do

My bel ami - whenever you're with me

My bel ami - I'm happy

My bel ami

My bel ami - I'm born to be with you

My bel ami - I don't care what you do

My bel ami - whenever you're with me

My bel ami - I'm happy

My bel ami

3rd verse, unreleased:

He can't deny some offers ... yeah yeah what I say

He's got more than the others ... yeah yeah what I say

Why should I be mad about it

That's the price I have to pay

In a world of competition ... yeah yeah what I say
