## Steel Flowers

OXYMORON 4991

Oxymoron  
4991

"War is peace, freedom is slavery, ignorance is strength"

False Truth, eternal youth  
president worker.

Everything are wrong: oxymoron.

Law for all, glossy insanity,  
deafening silence.

Everything are wrong: oxymoron.

Moral honesty, virtual reality,  
common thought.â€“Everything are wrong: oxymoron.

War of peace, smart bombs,  
democracy exported.

Everything are wrong: oxymoron.

This is the trick of the Little Brother

Save your breath:  
words have meaning!

What is true is false: false is true

**THERE ARE NO HEROES IN MAFIA**

This is the trick of the Little Brother

Save your breath:  
words have meaning!
