

Light Me Up

Icona Pop

I know you've been trying to wrap your head round who I am
(Oh oh oh oh oh oh oh oh)
You see the melody for you and me is to (?)
(Oh oh oh oh oh oh oh oh)
So I'm gonna show ya if you're having doubts
(Oh oh oh oh oh oh oh oh)
That it hurts and it burns when you love, give me all
We got a fire started I won't I won't I won't hesitate
Even if I go down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea I don't I don't care what they say
Even if I go down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea The highs and the lows and the rise, I can take the heat
(Oh oh oh oh oh oh oh oh)
I love the melody for you and me, I love it bittersweet (?)
(Oh oh oh oh oh oh oh oh)
And I'm gonna teach ya, make sure you learn
(Oh oh oh oh oh oh oh oh)
It's a game, you don't win but you play it 'til you burn
And we got a fire started I won't, I won't I won't hesitate
Even if I go down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea I don't, I don't care what they say
Even if I go down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea Come on get down, blow it all up
Heart on my sleeve cause I have no doubts
Know you're coming my way
I see you coming my away
[x2] I won't I won't I won't hesitate
Even if I go down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea I don't I don't care what they say
Even if I go down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea (Oh oh oh oh oh oh oh oh)
