

Black Coffee

All Saints

Night Swimming
Beach walking
Always silent
Never talking
Then you call my name
And I know inside I love you
Sail away
I miss you more
Until you see the shore
There I will be waiting
Anticipating
Each moment is new
Freeze the moment
Each moment is cool
Freeze the moment
I wouldnt wanna be
Anywhere else but here
I wouldnt wanna change
Anything at all
(Anything oh I)
I wouldnt wanna take
Everything out on you
Though I know I do
(Although I know I do)
Everytime I fall
Day dreaming
Chain smoking
Always laughin
Always jokin
I remain the same
Did I tell you that I love you
Brush your teeth
And pour a cup of black coffee out
I love to watch you do that every day
The little things that you do
Each moment is new
Freeze the moment
Each moment is cool
Freeze the moment

I wouldnt wanna be
Anywhere else but here
I wouldnt wanna change
Anything at all
(Anything oh I)
I wouldnt wanna take
Everything out on you
Though I know I do
(Although I know I do)
Everytime I fall
Hmmmmmm
Hmmmmmm
Each moment is cool
Freeze the moment
I wouldnt wanna be
Anywhere else but here
I wouldnt wanna change
Anything at all
(Anything oh I)
I wouldnt wanna take
Everything out on you
Though I know I do
(Although I know I do)
Everytime I fall
(Everytime I fall)
(Everytime I fall)
I wouldnt wanna be
Anywhere else but here
(Anywhere but here)
I wouldnt wanna change
(I wouldnt wanna change)
Anything at all
(Anything oh I)
I wouldnt wanna take
Everything out on you
Though I know I do
(Although I know I do)
Everytime I fall
Night Swimming
Beach walking
Always silent
Never talking
Then you call my name
And I know inside I love you
Sail away

I miss you more
Until you see the shore
There I will be waiting
Anticipating
