

In the Darkest Hour

Red Sleeping Beauty

In the darkest hour
I still see the light of day
I feel OK
When you're nearIn the darkest hour
We are never out of time
I'm lost and I'm found
When you're nearAnd when it feels like the first time
Honestly, I don't wanna go
I will stay here forevermore
But, how do you know when you feel so sad?
How do you know when you feel so bad?In the darkest hour
I know I have felt this before
Half-way out the door
We are hereIn the darkest hour
I cannot believe your words
Alone in this world
I am here
And when it feels like the first time
Honestly, I don't wanna go
I will stay here forevermoreHow do you know when you feel so sad?
How do you know when you feel so bad?
