

Let My Love Open the Door

[Natalie Imbruglia](#)

When people keep repeating
That you'll never fall in love
When everybody keeps retreating
But you can't seem to get enough
Let my love open the door
Let my love open the door
To your heart
When everything feels all over
When everybody seems unkind
I'll give you a four leaf clover
Take all the worry out of your mind
Let my love open the door
Let my love open the door
To your heart
I have the only key to your heart
I can stop you falling apart
Try today, you'll find this way
Come on and give me a chance to say
Let my love open the door
It's all I'm living for
Release yourself from misery
There's only one thing gonna set you free
That's my love
Let my love open the door
Let my love open the door
To your heart
When tragedy befalls you
Don't let it drag you down
Love can cure your problems
You're so lucky I'm around
Let my love open the door
Let my love open the door
Let my love open the door
To your heart.
