

Kevin's

The Maroons

Do, do I... no
You is so...
If were all up to em I would say
Don't... with face
To stay You, did you embrace
You did through embrace... ask you in pain all the time
In the old...
Pacing pacing in you your... to cause
Uhh in your own breast,
Uh in your own breast
Mhmm mhmm mhmm mhmm Take on yourself
It's the only out we
Trumble steppers
In your own breast Uhh, in your own breast
Uhh, in your own breast on me
