

Time After Time

Blaque

Lying in my bed, I hear the clock ticking, think of you
Caught up in circles, confusion is nothing new
Flashbacks, warm nights almost left behind
Suitcase in memories time after
Sometimes you picture me, I'm walking too far ahead
You're calling to me, I can't hear what you've said
And you say, "Go slow", I fall behind
The second hand unwindIf you're lost, you can look and you will find me time after time
If you fall, I will catch you, I'll be waiting time after time
If you're lost, you can look and you will find me time after time
If you fall, I will catch you, I'll be waiting time after timeAfter my picture fades and darkness has turned to gray
Watching through windows, you're wondering if I'm okay
Secrets stolen from deep inside, the drum beats out of timeIf you're lost, you can look and you will find me time
after time
If you fall, I will catch you, I'll be waiting time after timeYou say, "Go slow", I fall behind
The second hand unwindIf you're lost, you can look and you will find me time after time
If you fall, I will catch you, I'll be waiting time after time
If you're lost, you can look and you will find me time after time
If you fall, I will catch you, I'll be waiting time after timeTime after time, time after time, time after time
Time after time, time after time, time after time
Time after time, time after time, time after time
