

Hollywood

Red Hot Chili Peppers

Take me back, hold my hand
All the way back to the brother land
Take me back, I want to go backTake me back and my funky ass band
All the way back to the brother land
Take me backI want to go as fast as I can
Slidin' on back to the brother land
Now children, HollywoodI want to get up and go with my funky ass jams
All the way back to the brother land
Take me back, I want to go backHollywoodWhere the women is the women
And the man is the manI want to go as fast as I can
Slidin' on back to the brother land
Now children
