

# The Space in Between (OST Hannibal)

## How to Destroy Angels

All our blood lying on the floor  
Sense the crowd expecting something more  
Opened up, proudly on display  
What we tried so hard to hide away  
Blinding light illuminates the scene  
Try to fill "The Spaces In Between"  
Arms entwined in a final pose  
Narrative drawing to a close  
Still remain the things we couldn't kill  
In your eyes I can see it still  
How we choose the framing of the scene  
Hate begins to spill across the screen
