

# Beside Me

## Mindwalk Blvd

Rise against a world uncertain  
(I know, you know how can we save this)  
Vision torn, distorted truth  
(Chase through my world and find some faith here)  
Resistance is shattered no matter what we do  
(How can I find my way through this)  
It's not too late to show some mercy  
(I've lost my way I'm just beside me)

Mountains of glory  
Shadowed by darkness

Lead astray motives questioned  
(I know, you know, how can we save this)  
Eyes wide shut, heads turned away  
(Chase through my world and find some faith here)  
Deception from truth, selfish thoughts bury your soul  
(How can I find my way through this)  
It's not too late to show mercy  
(I've lost my way, I'm just beside me)

Mountains of Glory  
Shadowed by Darkness  
Follow me down through changes  
Realize we're in peril
