

# Dark End of the Street

# The Flying Burrito Brothers

At the dark end of the street  
That's where we always meet  
Hiding in shadows where we don't belong  
Living in darkness, to right our wrong  
You and me, at the dark end of the street  
You and me  
I know time's gonna take it's toll  
We have to pay for the love we stole  
It's a sin and we know it's wrong  
But our love keeps coming on strong  
Steal away to the dark end of the street  
They're gonna to find us, they're gonna to find us  
Someday they may come along  
And find us along someday  
You and me at the dark end of the street  
You and me  
And when the daylight hours roll round  
And if by chance we're both taken in  
And taken down the town  
But if we should leave before then  
And just walk on by  
Oh sweet baby, please don't you cry  
'Cause tonight we'll share the same dream  
At the dark end of the street  
You and me, you and me, you and me  
At the dark end of the street
