

Hand of the saint

Sinner

Blood shot, evil eyes
A black robe covered his lies
Tangled in extreme caress
The last confess[Chorus]
Standing in the crossroads
Going down the line
Keeping up the feelings
Send a sign Does it makes a bigger difference
Who's the sinner who's the saint
Father forgive me, help me
Give me more to complain
The hand of the saint I never thought I 'll break the spell
Endless circles I hear the bell
I look the left and to the right
The holy man was out of sight[Chorus] Does it makes a bigger difference
Who's the sinner who's the saint
Father forgive me, help me
Give me more to complain
The hand of the saint
