

Somewhere in Between

Lifehouse

I can't meet
Losing sleep over this
No I can't
And now I cannot stop pacing
Give me a few hours
I'll have this all sorted out
If my mind would just stop racing Cause I cannot stand still
I can be this unsturdy
This cannot be happening This is over my head
But underneath my feet
Cause by tomorrow morning I'll have this thing beat
And everything will be back to the way that it was
I wish that it was just that easy Cause I'm waiting for tonight
Been waiting for tomorrow
I'm somewhere in between
What is real, just a dream [Repeat: x2] Would you catch me if I fall out of what I fell in
don't be surprised if I collapse down at your feet again
I don't want to run away from this
I know that I just don't need this Cause I cannot stand still
I can be this unsturdy
This cannot be happening Cause I'm waiting for tonight
Been waiting for tomorrow
And I'm somewhere in between
What is real, Just a dream [Repeat: x3]
