

Words

Bobby V

Yeah, been looking for you, girl, is it you?
I hope so, let's go
A good man's hard to find
That's one of y'all favorite lines
But finding wifey
Ain't no easier
What am I supposed to do?
Shawty got me so confused
I'm second guessing
What I see in her, ohh
I need reasons
I should take you home to mama
You want me to believe that you ain't even like that
Baby, show me that you ain't even like that
Words don't mean
That much to me, girl
You tell me I'm yo' man, make me think I'm all that
When I'm not around, will you take it all back?
Words don't mean
That much to me, girl
You got me doin' that
You got me doin' that
I'ma give it to you straight
Any games that you tryin' to play
I done played them
All before
I wanna give you my heart
But, girl, I gotta play it smart
I ain't tryin'
To look no more
I need reasons
I should take you home to mama
You want me to believe that you ain't even like that
Baby, show me that you ain't even like that
Words don't mean
That much to me, girl
You tell me I'm yo' man, make me think I'm all that
When I'm not around, will you take it all back?
Words don't mean

That much to me, girl
You got me doin' that
Oh, girl
What makes you so different
Than them other chicks?
Why should I think
That you could be the one to change my mind?
'Cause I don't wanna keep pushing you
Away from me, wanna see where we could be
You want me to believe that you ain't even like that
Baby, show me that you ain't even like that
Words don't mean
That much to me, girl
You tell me I'm yo' man, make me think I'm all that
When I'm not around, do you take it all back?
Words don't mean
That much to me, girl
You got me doin' that
Oh, girl
You got me doin' that
