Star

Reamonn

Tell me if you got a problem
Tell me if it turns your way
Tell me if there's something bothering you
Tell me what should I sayYou know I did most anything
You know I change the world
You know I do most anything
For my little girlTell me if you got a problem
Tell me now what is inside
Show me if your broke heart straight
You know you never need to hideYou know I did most anything
You know I paint the sky
You know I do most anything
You're my guardian lightYou're my star, shining on me now
Love grow us apart
For me, for you
You are my shining star
My star
Love grow us apart
For me, for you
You are my shining starOnce upon a time a memory
Once upon a time a girl
Once upon a time a perfect life
Once upon a perfect worldYou know I did most anything
You're my guardian light
You know I do most everything
To keep you in my lifeYou're my star, shining on me now
Love grow us apart
For me, for you
You are my shining star
My star
Love grow us apart
For me, for you
You are my shining starJust a memory
Every dream you see you and me
If I wish upon the stars
Well I hope that's where you areWhen heaven turns you know you'll shine
You're in my heart for all time
When heaven turns you know you'll shine
In worlds of heartCause yeah you are my star

Shining on me now
Love grow us apart
For me for you
You are my shining star
My star
Love grow us apart
For me for you
You are my shining star
Shining on me now
Love grow us apart
For me for you
