Busta Rhymes in the place ya'll
Let me tell ya a little something

One of them crazy, sexy, cool women Ya know what I mean
One of them real crazy, just sexy
Just cool women

That just, be ready to rip somebody's
Face off for her man ya know what I mean
Who ya talkin to talkin to Word is bond

Down to the spot where all the niggas is at
Represent, 'cuz she know her man ain't doin' right Word up ya know but at the same time she gotta be
Like, real sexy like
So when she come out she ain't like
Misrepresentin' herself She lettin' it be known that she's official

But at the same time like
With all that crazyness and that sexyness She gotta come wit dat

So that she ain't blowin off the lid In front of my men's like, ya know what I'm sayin'
Come around she can get down with the crew
Let the crew know she representin' that she ain't havin' it
But you know like, you know, she gotta represent To get the job handled, take care of that business
