Regular Town

New Navy

You came from the underground
I came from just another regular town.
My heart is on an open page
Your heart is black, it hasn't beaten for days.
Got to listen to in between,
In time you'll find the place where you wanna be.
You came from the underground
I came from just another regular town.
How can you sleep at night with all those lies?
And i know i'm safe because
Although i'm here, i don't feel part of it.
Walking alone it's not to worry
You can't be wrong,
You can't say sorry!
It's not your fault
You keep your feelings locked in a vault
To keep from stealing .
Walking alone it's not to worry
You can't be wrong,
You can't say sorry!
It's not your fault
You keep your feelings locked in a vault
To keep from stealing... loveYou came from the underground
I came from just another regular town.
My heart is on an open stage
Your heart is black, it hasn't beaten for days.
Got to listen, you got to listen
To find the place where you wanna be.
You came from the underground
I came from just another regular town.How can you sleep at night with all those lies?
And i know i'm safe because
Although i'm here, i don't feel a part of it.Walking alone it's not to worry
You can't be wrong,
You can't say sorry!
It's not your fault
You keep your feelings locked in a vault
To keep from stealing ... love.
