Last Living Souls (Demon Days 2005)

Gorillaz

Are we the last living souls
Are we the last living souls
Are we the last living souls
Are we the last living soulsTake a gun
Or how you say
That's no way
To behaveBut just as long you need the gear
So sing a song that doesn't sin
It grows
Hey, you knowAre we the last living souls
Are we the last living souls
Are we the last to get away
To some another day
Or do we know
Well we know
Doesn't seem to be complete
Are weAre we the last living souls
Are we the last living souls
Are we the last living souls
Are we the last living soulsGet up, get up, get up, get up, get up, get up, get up, get up, get up'Cause all out of song
I got it down wrong
I see myself to get
An all-seeing door now
Can you take us in
The part that comin' on
The coldest man doesn't sing your songWe go to the car
I see you walk to the far
And when you get there do you see
You fit the last you need on me'Cause we're the last living souls
We're the last living souls
Yeah we're the last living souls
We're the last living souls
