Repeat Offender

Smut Peddlers

Where do I turn
I'm always questioning my sanity
Will I ever learn
I have always stolen my identity
Anyone forgive, anyone forget
I don't want a life without respect
Life without respect
Feel there is nowhere that I fit
Nowhere that I fit
I am a repeat offender
I will live with this forever
I am a repeat offender
I am a repeat offender
You have my word
There are only lies in my sincerity
I live in a world
That gives no meaning to integrity
Anyone forgive, anyone forget
I don't want a life without respect
Life without respect
Feel there is nowhere that I fit
Nowhere that I fit
I am a repeat offender
I will live with this forever
I am a repeat offender
I am a repeat offender
Someone take these handcuffs off my wrists
And break the chain of habit!
Someone take these handcuffs off my wrists
And break the chain of habit!
I don't want to life without respect
I feel there is nowhere that I fit
Nowhere that I fit
I am a repeat offender
I will live with this forever
I am a repeat offender
I am a repeat offender
Where do I turn
I'm always questioning my sanity

Will I ever learn
I've always stolen my identity
