Best Friend

Lil Cuete

Fingazz:]
I need you in my life you need me in your life you know that I'm a always be your best friend and when you feeling down you know I'll be around
I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you never had a friend this dam good baby girl I've been thinking I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you never had a friend this dam good believe me girl
[Lil Cuete:]I can be your best friend and you could be mine too cause baby anything you go through I'll go through it too and you're the reason why I stepped up and became a man and girl I love that sexy face that you make when your mad plus when I get home late you don't trip on where I waz cause you know that I'm out there hustling for you and my son I could be your best friend so when your talking I'll listen you can tell me all about how your girl waz trippin about she said something about somebody else I love the way you hold it down I love the way I'm feeling now and it's alright cause you feel the same too I could be your best friend and you could be mine too yea
[Fingazz:]I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you never had a friend this dam good baby girl I've been thinking I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you never had a friend this dam good believe me girl

[Lil Cuete:]The only women that I trust with the key to my safe you keep me up all night with that good love we make you see I never thought I meet somebody quite like you the way you always hold it down and how you keep it true the way you walk pass sexy just to tease me a little you got me hard as a rock but you're as soft as a pillow and I confess I don't lie baby you be the witness I do what I do and always handle my business and I would do almost anything for one of your kisses you're so delicious and being with you is what my only wish is so when you need me you best believe I'm here until the end baby girl yea you got a friend
[Fingazz:]I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you never had a friend this dam good baby girl I've been thinking I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you never had a friend this dam good believe me girl I need you in my life you need me in your life you know that I'm a always be your best friend and when you feeling down you know I'll be around I promise I'm a always be your best friend
[Lil Cuete:]And every time you need me I'll be there in a hurry that's why you don't have to be scared and you don't have to be worried I'll be there when you slip or help you not fall at all you see we been around the block so we been through it all and I love the way you come around playing let your hair down in complements on the rest of your body baby your perfect I love the way you work it with your cherry lip gloss baby girl your tip top me and you let's get lost
[Fingazz: x2]I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you never had a friend this dam good baby girl I've been thinking I can be your best friend you can count on me to ride for you until the end and you know that chu can call if you need me you

never had a friend this dam good believe me girl
