Midnight And I

White Rabbits

Anything we should know about your change?
Light from under the door
To keep from suffering fools
Ive been walking at night with my eyes shut
Your eyes'll shut soon
So now

Get to sleep now
Get to sleep now
Get to sleep now
Don't you ever wonder
If the night's alive

Been losing my teeth
Feeling weak at the knees
I've been walking at night with my eyes shut
Both eyes are shut tight
tight, tight, tight

Get to sleep now
Get to sleep now
Get to sleep now
Dont you ever wonder
If the nights alive

Put your feet up
Lay your head off
Table set up
Kick yr shoes off
And turn the lights off
And see it all
Get to sleep now
Get to sleep so easy
Any way surrounded
I don't think about it now
