Spirit

Chicane

SomedaySomeday
The spirit of the heartSomeday
The spirit of the heart
To find
To feel you calling your wayAnd someday
The miracle will mend
You'll know the life
That needs the calling to faithAnd someday
The spirit of the heart
To find
To feel you calling your wayThe miracle will mend
You'll know the life
That needs the calling to faithSomedayAnd someday
The spirit of the heart
To find
To feel you calling your wayAnd someday
The miracle will mend
You'll know the life
That needs the calling to faithAnd someday
The spirit of the heart
To find
To feel you calling your way
