

# Spirit

## Chicane

SomedaySomeday  
The spirit of the heartSomeday  
The spirit of the heart  
To find  
To feel you calling your wayAnd someday  
The miracle will mend  
You'll know the life  
That needs the calling to faithAnd someday  
The spirit of the heart  
To find  
To feel you calling your wayThe miracle will mend  
You'll know the life  
That needs the calling to faithSomedayAnd someday  
The spirit of the heart  
To find  
To feel you calling your wayAnd someday  
The miracle will mend  
You'll know the life  
That needs the calling to faithAnd someday  
The spirit of the heart  
To find  
To feel you calling your way
