

# Here's Johnny

## Weird Al Yankovic

You could have a big dipper  
Going up and down all around the bends  
You could have a bumper car bumping  
This amusement never ends  
I wanna be your sledgehammer  
Why don't you call my name  
Oh, let me be your sledgehammer  
This will be my testimony, yeah, yeah  
There's a girl that's been on my mind  
All the time, su-su-sudio, oh  
Now she don't even know my name  
But I think she likes me just the same, su-su-sudio, whoah  
And my girl wants to party all the time  
Party all the time, party all the time  
My girl wants to party all the time  
Party all the time, she parties all the time  
Say you, say me  
Say it for always, that's the way it should be  
Say you, say me  
Say it together naturally  
We're going riding on the freeway of love  
Winds against our back  
We're going riding on the freeway of love  
In a big Cadillac  
That's why you need, ooh, that's why  
This what you need, I'll give you what you need

Yah, yah, yah, do the Harlem polka, everybody now  
Yah, yah, yah, do the Harlem polka  
She's got it  
Yeah baby, she's got it  
Well, I'm your Venus, I'm your fire  
What's your desire?  
Nasty, nasty boys don't mean a thing  
Oh, you nasty boys  
Nasty, nasty boys don't ever change  
Oh, you nasty boys  
I like this part  
Ooh, rock me Amadeus

Ooh, rock me Amadeus  
Ooh, rock me Amadeus, ooh  
Shout, shout, let it all out  
These are the things I can do without, come on  
I'm talking to you, come on  
Please, papa, don't preach, I'm in trouble deep  
Papa, don't preach, I've been losing sleep  
But I've made up my mind, I'm keeping my baby  
Oh, I'm gonna keep my baby, I'm gonna keep my baby  
Keep my baby  
Keep my baby  
Keep my baby  
Hey
