

We Want You

Preashea Hilliard

Leader:

Fill this place with your glory
Fill this place with your power

Chorus:

Fill this place with your glory
Fill this place with your power

X2

We want you. We want you. We want you. We want you.

Soothe our hearts with your glory.

Soothe our hearts with your fire.

X2

We want you. We want you. We want you. We want you. X2

Leader:

There's nothing we want more. X8

Chorus:

There's nothing we want more x8 (repeat)

Fill this place with your glory
Fill this place with your power

X2

Fill this place (repeat)

We want you (repeat)
